Subject: Horizon Mining, LLC, Incidental Boundary Change, ACT/007/020

Dear Pam,

On behalf of Horizon Mining, LLC please find enclosed 3 copies of changes to the Horizon mining permit. These changes cover a revision to the Horizon Mine permit boundary.

A new appendix has been added to hopefully make it easier to review the permitting issues associated with the regulations.

Although text changes were only made to specific pages in Chapter 3, the text changes affected pagination on multiple other pages, which may make it necessary to submit additional pages once the submittal is approved.

Once this submittal is approved, five sets of clean copies will be submitted.

Attached to this submittal also find a copy of the March 23, 1999 letter from Denise Dragoo of Snell & Wilmer addressed to the Utah Division of Oil, Gas and Mining.

If you have any questions please contact me at (435) 472-0884.

Sincerely yours,

Vicky S. Miller
Permit Coordinator
